## International Wellness & Nature Lodge @ Pigeon Lake

Congratulations to Camp Wohelo as they continue to renovate with wheel chair accessible trails, ramps to buildings and dock, and bathrooms. The Camp will be a very welcoming destination this year and for the many visitors expected during their 50<sup>th</sup> Anniversary celebrations in 2009. Note that Camp Wohelo is seeking a Camp Director for the summer months. Contact Audrey Barner at 988-6149. Please contact Ross W. Wein, 436-0141; and Irl Miller, 455-3866; if you 1) would like to help to build short ramps to cabins and do other carpentry and electrical work, 2) would like to assist Dik Buttery with the drafting of camp site and building plans for current buildings and renovations, 3) would lend or rent a Bobcat or similar tractor so that we can add more gravel surfaces to wheel chair accessible trails, 4) would like to donate 16 foot fiberglass canoes for more fun on the Lake.
